

# Korean Language (Intermediate)

## Target Learners

This course is designed for beginner-level learners who have studied Korean for approximately 100 hours. The specific target learners are as follows:

- Learners who have mastered Korean consonants and vowels and are able to read and write basic Korean.
- Learners who can introduce themselves and use basic everyday expressions.
- Learners who have prior experience with beginner-level vocabulary and sentence patterns.
- Learners who wish to study Korean at the upper-beginner level.
- Learners who can read and write short, simple texts and construct sentences using basic grammar.

## Educational objectives and learning effects

Educational objectives	<p>-Learners will be able to understand and use basic expressions commonly encountered in daily life.</p> <p>-Learners will be able to read and comprehend simple descriptive texts and short passages.</p> <p>-Learners will be able to construct simple sentences using upper-beginner level grammar.</p>
Learning effect	By the end of this course, learners will be able to use upper-beginner level grammar and vocabulary to understand and produce commonly used daily expressions, and to read and write simple texts.

	Subject of a lecture	Content of lecture	Learning effect
